**Proposed Cleanup Remedies for Soil and Groundwater  
Former Pure-Etch Company Site**  
1031 Industrial Way  
Salinas, California 93906  
EPA ID No. CAD 783 650 490

## **Public Comment Period: September 28, 2007 to November 14, 2007**

The California Department of Toxic Substances Control (DTSC) is requesting public comment on the proposed cleanup remedies for soil and groundwater contamination at the former Pure-Etch Company (Pure-Etch) facility located at 1031 Industrial Way, Salinas, California. The proposed cleanup remedies include installing a dual phase extraction system, sampling and monitoring groundwater, entering into a land use covenant to restrict the land use to commercial and industrial use and annual site inspection.

The purpose of this public notice is to provide the community an opportunity to learn more about the project and to submit any comments to DTSC concerning the proposed soil and groundwater cleanup remedies. Your participation is encouraged. Comments concerning the proposed cleanup remedies must be submitted in writing and postmarked by 5:00 PM on November 14, 2007 to: Cherry Padilla, Project Manager, Standardized Permitting and Corrective Action Branch, Department of Toxic Substances Control, 700 Heinz Avenue, Berkeley, California, 94710, or by e-mail at [cpadilla@dtsc.ca.gov](mailto:cpadilla@dtsc.ca.gov). Ms. Padilla can be reached by phone at (510) 540-3967

The Facility Investigation reports, Corrective Measures Study Report, Land Use Covenant Implementation and Enforcement Plan, and Draft Negative Declaration are available for review at the Information Repositories listed below. The full Administrative Record for this project is available at the DTSC Berkeley File Room.

DTSC may hold a public hearing if one is requested. The request shall be in writing and shall state the nature of the issues to be raised at the hearing. The written request shall be postmarked by **October 28, 2007** and sent to the Project Manager listed above. At the close of the comment period and after considering all the comments received, DTSC will make a final decision on the cleanup remedy. All who submit comments will be notified by mail of the final decision.
